General Summary

Debbi Newton is a licensed master social worker supporting the Texas Oncology locations in Denton and Flower Mound. Debbi has more than 15 years of social work experience and is currently working on her clinical social work license as well as a doctorate degree in social work. Debbi assists patients and caregivers through all phases of the cancer experience by providing psychosocial support and knowledge of community resources. She has facilitated numerous support groups regarding topics such as coping with a cancer diagnosis, caregiving, grief, and loss.
