General Summary

F. Clark Odom, M.D., is committed to ongoing education and research in colon and rectal healthcare. "I feel a great responsibility to my patients to stay abreast of the most advanced techniques in the treatment of colorectal disorders," he explains. Graduating Magna Cum Laude from McMurry University and The University of Texas Medical School in San Antonio, Texas, Dr. Odom proved his commitment to education early in life. He earned a fellowship at Baylor University Medical Center in Dallas in colon and rectal surgery after completing his general surgery residency at Bexar County Teaching Hospital.
