General Summary

Susan Escudier, M.D., FACP, serves as vice president, value based care and quality programs for Texas Oncology. She also serves as regional medical director for Texas Oncology's Gulf Coast region. Dr. Escudier joined Texas Oncology in 1994 and practices at Texas Oncology-Houston Medical Center. Since she joined Texas Oncology, Dr. Escudier has served on the board of directors and numerous committees, including the practice's medical oncology quality committee. Dr. Escudier serves as a member of the Houston Komen Foundation medical advisory board. She is a clinical associate professor of medicine at Baylor College of Medicine in Houston and previously served as assistant professor at MD Anderson Cancer Center in Houston, where she was involved in leukemia research.

Education

Summa cum laude and special honors in Plan II at The University of Texas at Austin 1981; Medical degree in 1985 from Baylor College of Medicine; residency in internal medicine at Baylor College of Medicine 1985-1988 where she received the Chief Resident's Outstanding Medical Resident Award.; fellowship in hematology 1989 at Baylor College of Medicine; and medical oncology fellowship in 1990-91 at The University of Texas M.D. Anderson Cancer Center.

Other Information

Compassionate patient-centered care using the most up to date treatments. Our care is for a patient as a person first, not a disease.

Accolades & Memberships

Phi Beta Kappa, Phi Kappa Phi, American Medical Association, Fellow of the American College of Physicians, American Society of Clinical Oncology, American Society of Hematology, Texas Medical Association, Texas Society of Medical Oncology, and Harris County Medical Society. Texas Super Doctor (2010-present).
