**General Summary**

Dr. Arjunan is passionate about providing excellent care for cancers and blood disorders in the local community. He aims to provide care based treatment that uses the most up-to-date evidence while maintaining compassion and prioritizing each patient's individual needs.

Dr. Arjunan was raised in Houston and completed his undergraduate degree with a Bachelor of Science in biology and a minor in genetics at Texas A&M University in College Station. He then earned a medical degree with honors at Texas A&M University. He completed residency in internal medicine at Washington University in St. Louis, where he also served for a year as an instructor of medicine. He subsequently completed a fellowship in hematology and medical oncology at the University of Pittsburgh Medical Center before returning to his home state of Texas.
