Other Information

Dr. Vemuganti was born and raised in India, and is fluent in English, Telugu, and Hindi. After relocating to the Philadelphia area to complete her residency and fellowship, she is happy to finally call Texas home. She enjoys traveling and spending quality time with her husband and two children.

Philosophy of Care

Dr. Vemuganti strives to achieve the highest quality of patient care through practicing evidence-based medicine. She believes in treating each patient as a whole person, respecting their individual beliefs, and tailoring their treatment accordingly. An effective treatment plan begins with open communication. Dr. Vemuganti ensures that her patients are well informed and she makes addressing their needs and concerns her top priority.
