Other Information

Devin Brecheen grew up in White Oak, Texas before moving to Lubbock, Tx to attend Texas Tech University. She graduated in 2008 with her Bachelors in Clinical Laboratory Science and was employed at Parkland hospital for a year and a half in Hematology and Chemistry. After moving to Mesa, AZ to attend PA school, she graduated with her Masters in Physician Assistant studies in 2011. Devin has since moved back home to raise her family. She now has 3 beautiful kids and is married to her college sweetheart. When she is not working, she loves to watch her kids at their sporting events and crochet.
