Prescription History Consent

I voluntarily consent to provide Texas Oncology access to and use of my prescription medication history from other healthcare providers or third party pharmacy benefit payors for treatment purposes. I understand that my prescription history (which includes but is not limited to prescriptions, labs, and other health care drug historical information) from multiple other unaffiliated medical providers, insurance companies, and pharmacy benefit managers may be viewable by my providers and staff here, and it may include prescriptions dating back for several years.

I acknowledge that Texas Oncology may use health information exchange systems to electronically transmit, receive and/or access my prescription history.

I understand that this **Prescription History Consent** will be valid and remain in effect as long as I attend or receive services from Texas Oncology, unless revoked by me in writing with such written notice provided to each practice site I attend or from which I receive services.

I certify that I have read this form or it has been read to me.
