**General Summary**

Dr John is a board-certified medical oncologist specializing in breast cancer. She works with her patients and their multidisciplinary care team to develop an evidence-based treatment plan that aligns with their unique goals and values. She empowers her patients by educating them about their condition so they can make informed decisions regarding their care. Dr. John is highly involved in clinical trials serving as principal investigator and participating in the Sarah Cannon Research Institute Breast Cancer Committee. She believes every patient should have access to the most up-to-date innovative therapies available through **clinical trials** at Texas Oncology and the US Oncology/Sarah Cannon Research Institute.

Dr John believes in partnering with her patients through their cancer journey with compassion, expertise, and a commitment to their well-being.

**Education**

- **Fellowship in Hematology-Oncology**  
Tufts Medical Center, Boston, MA
- **Residency in Internal Medicine**  
Tufts Medical Center, Boston, MA
- **Medical Doctorate**  
Drexel University, Philadelphia, PA

**Research Interest**

Dr. John has a clinical and research interest in breast oncology, health care disparities, and clinical trial enrollment.
