Research Interest

Dr. Thatikonda practices general radiation oncology and is committed to providing high quality, compassionate care. She has a special clinical interest in breast, brain, GI, thoracic and head and neck malignancies.

She is trained in intracranial and extracranial stereotactic radiosurgery/therapy (SRS/SRT), Cyberknife® radiosurgery, intensity modulated radiation therapy (IMRT), 3D conformal radiotherapy and high dose rate brachytherapy.

Other Information

In her spare time, Dr. Thatikonda enjoys traveling, and spending time with family and friends. She and her husband have two sons.
