

Social Worker

Certifications:

Licensed Clinical Social Worker
Advanced Certified Hospice and Palliative Social Worker

General Summary

Stephanie Broussard, LCSW-S, APHSW-C, is the director of social work and palliative care at Texas Oncology. She is a licensed clinical social worker supervisor (LCSW-S), certified advanced palliative and hospice social worker (APHSW-C) and a certified advanced care planning facilitator and trainer. She has spent her social work career providing direct patient care as well as developing programming to increase access to care for the seriously ill in the home, community, and clinic settings. A commitment to access equitable healthcare and social justice are driving forces for her work. A passionate advocate, Stephanie is a servant leader in her community. Stephanie also serves to help educate communities on the importance of advance care planning as a certified advance care planning facilitator and trainer.

Education

- **Master of Science in Social Work**
The University of Texas at Arlington, Arlington, TX
- **Bachelor of Science in Family and Child Studies**
Louisiana Tech University, Ruston, LA

Other Information

Stephanie is a Louisiana native and moved to Texas in 2005. Although proud of her professional accolades, Stephanie's most notable roles are being a wife and mother to the "Broussard Boys".
