**Research Interest**

Dr. Birdwell specializes in multi-disciplinary delivery of breast cancer care, oncoplastic techniques to achieve best cosmetic outcomes, and robotic assisted surgery. She has close coordination with the medical oncologist, radiation oncologist, and reconstructive surgeons to provide comprehensive breast cancer care. Frequently, office visits with one or more of these specialists are coordinated to achieve patient-centered care in a timely fashion.

**Other Information**

Dr. Birdwell is a native to the Dallas metroplex and resides locally near family and long time friends. She enjoys watersports, fishing, outdoor activities, cooking, and spending time with family.
