

## Insurance Information

The list below reflects some of the plans we accept. Not all plans are available at all of our cancer centers, so it's important to call your insurance company to confirm if your plan is available at Texas Oncology centers in your area. Our financial counselors will verify your coverage prior to your appointment.

If you do not see your health insurance plan listed, please call your cancer center for additional information. New insurance plans are being added all the time.

*\*Physician participation is limited by BlueCross BlueShield. Not all physicians will be in the Blue Advantage HMO network.*

*\*\* For more information on Medicare Part D go to <https://www.texasoncology.com/newly-diagnosed-patients/paying-for-care/medicare>.*

*Not all plans are available statewide, so it's important to call your insurance agent or go to [www.healthcare.gov](http://www.healthcare.gov) to confirm which plans are available in your area.*
