General Summary

Megan C. (Turner) Turley, M.D., MHS, is a fellowship-trained and double board-certified colon and rectal surgeon with a comprehensive robotic surgery practice in Austin. Her clinical interests include colon, rectal and anal cancers, the surgical management of inflammatory bowel disease, Crohn's Disease, and ulcerative colitis. She performs screening and diagnostic colonoscopies and the management of polyps, diverticulitis, and diverticulosis. She manages common and complex anorectal and proctologic concerns including hemorrhoids, fissure, fistula, and prolapse, with a specific interest in minimally invasive robotic surgery.
