**Other Information**

Dr. Manders is married with two children. In his free time, he enjoys cycling, cooking, reading and spending time with his family.

**Why a patient should choose treatment at your practice?**

Our team provides quality, evidence-based care to our patients in a positive and supportive environment. In addition to medical treatments (i.e., chemotherapy, immunotherapy, hormone therapy, etc.), we offer state of the art surgical management of gynecologic cancers in addition to access to clinical trials. There is no need to travel to another cancer center when all of your needs can be met locally.

**Conditions**

Dr. Manders specializes in gynecologic cancers including cervical, uterine or endometrial, ovarian, vulvar, vaginal cancers and gestational trophoblastic disease.

**Procedures**

**Uterine cancer (Endometrial)**

- Laparoscopic/Robotic assisted laparoscopic hysterectomy / Bilateral salpingo-oophorectomy (BSO)
