Clinical Trials in Austin**

General Summary

Dr. Yorio is a native Texan, born and raised in Burleson near Fort Worth. He is board certified in medical oncology, hematology, and internal medicine. He is actively involved in clinical trial research for melanoma, head & neck cancer, renal cell carcinoma and prostate cancer with publications in the areas of melanoma, lung cancer and colorectal cancer. He strives to bring cutting edge treatments and new research to patients here in Austin.

Education

- **Fellowship in Medical Oncology and Hematology**
UT MD Anderson Cancer Center, Houston, TX
- **Residency in Internal Medicine**
UT Southwestern Medical Center, Dallas, TX
- **Doctor of Medicine with Distinction in Research**
The University of Texas Southwestern Medical Center, Dallas, TX
- **Bachelor of Science in Advertising**
The University of Texas, Austin, TX

Other Information

Dr. Yorio and his wife met as undergraduate students at The University of Texas, and like many Longhorns, wanted to make Austin their lifelong home. He enjoys spending time with his wife and two amazing children, playing guitar, coaching his kid's basketball teams, jogging, skiing, and paddleboarding. He and his family are also avid Texas Longhorn fans.
