Other Information

Dr. Sandbach has been happily married to Gene Anne since they met while he was in medical school and she was in pharmacy school. They have three children. Emily practices internal medicine in Colorado Springs in a clinic that addresses the medical needs of the underserved patient population. Anna is studying to be a psychologist and is enrolled at St Edwards University. John lives in Maui. He is a chef and owns a Texas style barbeque business, Smoke and Spice Maui. The two grandchildren (John Kaden and Haylee Mae) were born in Maui. Doctor Sandbach, when not visiting the grandchildren, likes to fly fish and travel with his wife Gene Anne.

Dr. Sandbach has authored and co-authored over 20 peer reviewed scientific papers and presentations. He has been the principal investigator or a co-investigator on numerous **research studies**. His most recent research has been in the field of **cancer genetics**.
