Education

Dr. Nair graduated *Summa Cum Laude* from St. George's University School of Medicine in Grenada. She completed her residency in internal medicine at Georgetown University Hospital in Washington, D.C., where she received the Medical Humanities Award for delivering compassionate care to her patients. Dr. Nair then completed her fellowship in hematology and oncology at Georgetown University's Lombardi Comprehensive Cancer Center in Washington, D.C.. During her fellowship, Dr. Nair was actively involved in clinical research focused on blood disorders, presented her research at national conferences, and had manuscripts published in peer review journals.

Research Interest

Kruti S. Nair, M.D. has a clinical interest in cancers of the prostate, gastrointestinal tract and lung, as well as hematological disorders including lymphoma, chronic leukemias and benign blood disorders. Dr. Nair is committed to providing compassionate, high quality care to her patients with an emphasis on delivering individualized treatment.

Other Information

Dr. Nair is fluent in Gujarati. She enjoys watching football, traveling, and spending time with her friends and family, both in Texas and California.
