**Research Interest**

With a special interest in caring for patients with breast, colon, lung and prostate cancer, Dr. Rodney serves a diverse patient population. He delivers compassionate and individualized patient care, including options for participating in national clinical trials through Texas Oncology's relationship with US Oncology Research.

In addition, Dr. Rodney is the clinical trial site leader at Texas Oncology-Deke Slayton Cancer Center. He is also the 2018 and 2019 chair of the Susan G. Komen Foundation Houston medical advisory committee and assists in organizing community resources with the leadership committee for Komen-based Partners in Pink Breast Cancer Coalition Galveston.

Dr. Rodney is committed to providing high quality, compassionate and individualized patient care. By participating in the nation's largest clinical trial network, Dr. Rodney provides leading-edge care for patients in their community.
