**Other Information**

Dr. Ramanathan's hobbies include traveling, hiking, dancing, culinary exploration, and spending time with family. She also writes and edits for the American Board of Internal Medicine review course, Awesome Review®.

**Clinical Interest**

Dr. Ramanathan has a clinical interest in treating a variety of cancers including breast, lung, and prostate cancers, as well as hematological disorders including chronic leukemias and benign blood disorders. During her residency and fellowship, she was actively involved in clinical research focused on colon cancer and leukemias. She has also presented her research at national conferences, and had manuscripts published in peer review journals.
