Education

Dr. Jordan received her Bachelor of Science in chemistry, Magna Cum Laude, at Texas Woman's University in Denton, Texas, in 1991, where she was a member of Sigma Alpha Epsilon National Chemistry Honor Society. She received her medical degree from The University of Texas Medical Branch in Galveston in 1996. Dr. Jordan completed her internship and residency in internal medicine and her medical oncology fellowship at Baylor University Medical Center in Dallas. Dr. Jordan has authored and co-authored many articles in peer reviewed journals.

Research Interest

Heidi Jordan, M.D., has particular clinical interest in breast cancer, colorectal cancer and lymphoma, with a particular focus on patient education and prevention.

Other Information

To increase public awareness of cancer and to aid in the prevention of malignancies, Dr. Jordan frequently donates her time to community education projects. She is active in community churches, support groups and the American Cancer Society. Prior to joining Texas Oncology, Dr. Jordan founded a Southlake based oncology practice through which Relay for Life was heavily supported.

Accolades & Memberships

Dr. Jordan is a member of the American Society of Clinical Oncology, American Society of Hematology, American Board of Internal Medicine, American Medical Association, Texas Medical Association, the Texas Society of Medical Oncology and the Tarrant County Medical Society. In 1993, Dr. Jordan was presented the Student Award for Excellence in Research by the Galveston Chapter of the Society for Neurosciences. Dr. Jordan was named a "Top Doc" by *Fort Worth, Texas* magazine in 2011.
