**Education**

Dr. Brian Berryman received his undergraduate degree, B.S. psychology magna cum laude, from Washington & Lee University in Lexington, Virginia. He received his M.D. from the University of Texas Southwestern Medical Center in Dallas. He completed his internship and residency in internal medicine at UT Southwestern in Dallas and his fellowship in hematology and oncology also at UT Southwestern Medical Center in 1999.

Before joining Texas Oncology in 2001, Dr. Berryman was an assistant professor of internal medicine, division of hematology and medical oncology at the Harold C. Simmons Cancer Center at UT Southwestern. He was also an attending physician in the emergency department at the Dallas VA Medical Center.

Dr. Berryman is currently the Director for Outreach and Clinics for the Blood and Marrow Transplantation Services at Baylor University Medical Center. Dr. Berryman is the principal investigator and the co-investigator for numerous research trials and has authored and coauthored many articles in peer reviewed journals.

**Accolades & Memberships**

Dr. Berryman is a member of the American Medical Association, American Society of Clinical Oncology, American Society of Hematology and the American Society of Blood and Marrow Transplantation. He is also a board member of the North Texas Chapter of the Leukemia & Lymphoma Society in Dallas.
